

1. Programs between 2 or more countries on common interests:

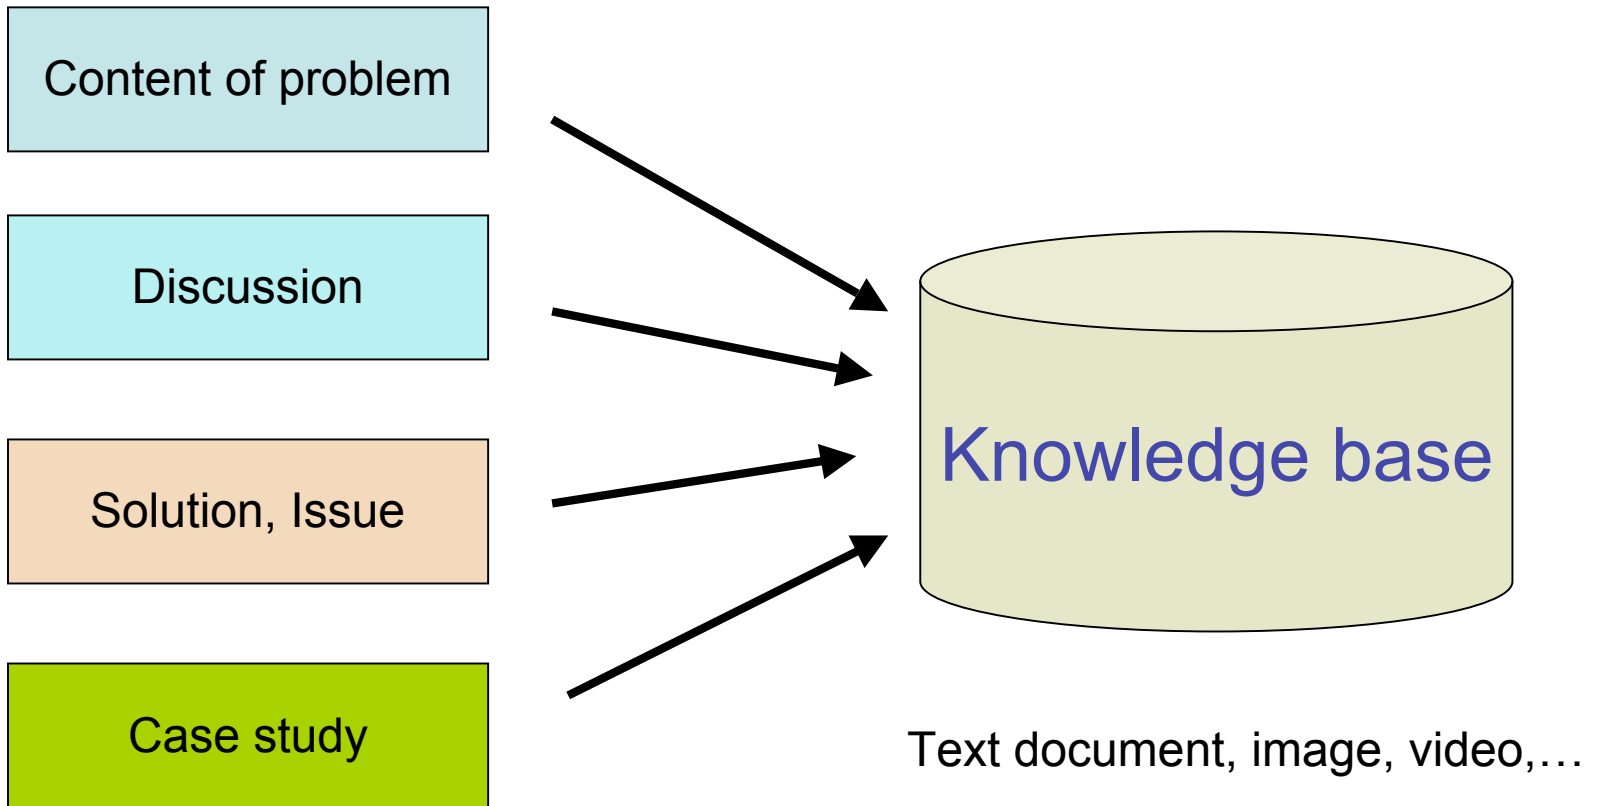

- International development programs: For example JICA programs of Japan in Vietnam.
- Trading between 2 countries: Meeting of Vietnamese companies with Japanese partners.
- Culture exchange: Japanese language school in Vietnam – Universities in Japan.
- Cooperation programs between 2 countries.
- ...

Interactive relations

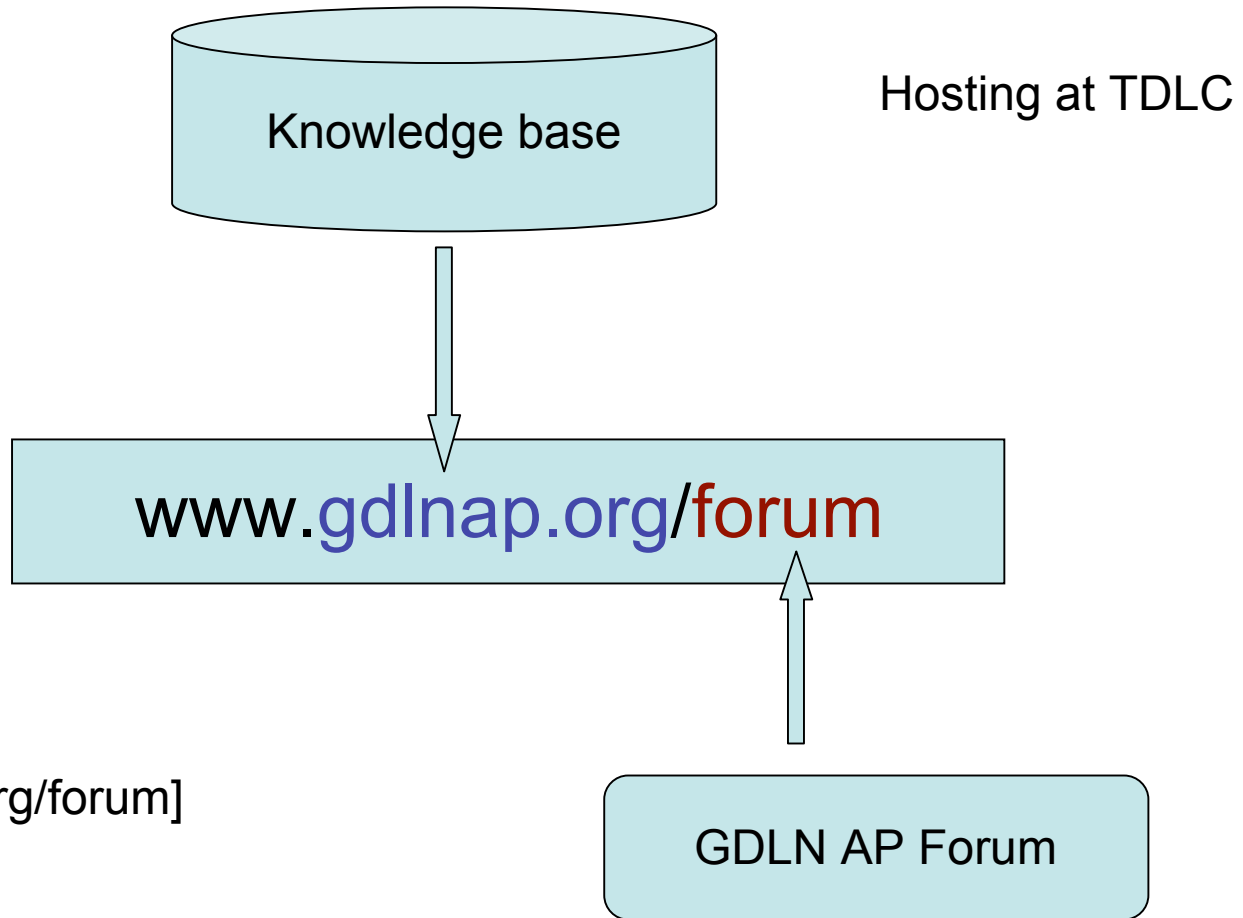

2. Create and develop Knowledge base:

- All knowledge sharing materials on the GDLN (AP) must be organized in the common knowledge base of the region.
- All people can access to use this knowledge base with charge or free.
- Knowledge base need to be updated after each event (seminar, training program, conference,...).
- In each country, the content of knowledge base can be translated into national language for public access.

3. GDLN AP Forum:

- All GDLN AP members can share his/her opinion everyday on different topics.
- People can work together on selected program and prepare for this program.
- All announcement of GDLN AP can be posted on the GDLN AP Website.

[www.gdln.ap.org/forum]

Example:

www.youtemplates.com : Knowledge sharing website in Vietnam.

- Useful tools (free).
 - Project documents (with charge).
 - MBA and Ph.D thesis (with charge).
