

## Global Development Learning Network

*Linking the world through learning*

### South-South Cooperation on Training and Learning

Zenaida Delica-Willison  
Special Unit South-South Cooperation in UNDP

## Outline

---

- Special Unit for South-South Cooperation in UNDP: Key Functions
- Multilateral Support Architecture
- South-South Cooperation for Development -Enabled Value Chain
- SSC Training and Learning Circle
- Partners and Products
- South-South Citizenry Based Development Academy

## **SU/SSC's Key Functions:**

---

- **A Convener:** Enables intergovernmental bodies to make informed decisions; convenes annual UN Day on SSC & biennial General Assembly/High Level Committee; organizes policy research, thematic forums & annual SS Development Expo
- **A Facilitator:** Facilitates development partners to identify, produce & disseminate Southern development knowledge, experiences, expertise & technological solutions for South-South capacity development

3

## **SU/SSC's Key Functions:**

---

- **A Catalyst:** Catalyzes innovative mechanisms for partners to help South-South transfer of development knowledge, experiences, expertise and technological solutions.
- **A Collaborator:** Mobilizes South-South, Triangular (NSS) & PPP partnerships & resources around MDG-focused initiatives benefiting especially LDCs.

4

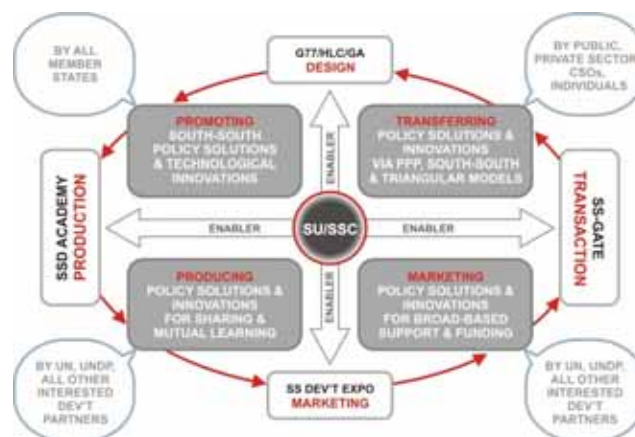

## Multilateral Support Architecture:

- **Global South-South Development Academy:** Enabling all interested partners to systematically do joint policy research, exchange expertise, document & share SS & triangular development solutions.
- **Global South-South Development Expo:** Enabling all interested partners to regularly showcase & market most scalable solutions for mutual learning & building innovative partnerships.
- **South-South Global Assets & Technology Exchange (SS-GATE):** Enabling all interested partners to provide, acquire or finance actual transfer of solutions & technologies in an open, cost-effective & transparent environment.

5

## SSC for Development --Enabled Value Chain

6

## **Training and Learning Circle**

---

- Designed for trainers and learners on community based disaster risk reduction
- Sharing of experiences, tools and resources – forums, workshops, training
- Developing knowledge products– participatory and testing
- Dissemination/Promotion of products

7

## **Products (Examples)**

---

- **Training Manuals:**
  - Integrating Gender with Community Based Disaster Risk Management
  - Making Schools Safer
  - Micro Insurance for Disaster Risk Reduction
- **Promotion of integrating CBDRM into Universities' curriculum/courses**
- **Case Studies**
- **Encircling trainers and learners -- TLC**

8

## Partners

---

- Global: ProVention/IFRC
- Regional; Asian Disaster Preparedness Center
- Philippines: Center for Disaster Preparedness
- India: All India Disaster Mitigation Institute

9

## South-South Citizenry based Development Academy

---

- Designed for learning on how to make communities resilient and resistant to disasters
- Sharing of experiences, tools and resources by communities to communities and CBDRM practitioners
- Concept – all are teachers and students or all are learners.

10

## South-South Citizenry based Development Academy

---

- 1<sup>st</sup> Academy: Kutch, Bhuj, Gujirat, India
- 2<sup>nd</sup> Academy: Banda Aceh, Sumatera, Indonesia
- 3<sup>rd</sup> Academy: Pili, Camarines Sur, Philippines, November 22-26, 2010
