

Instructions on how to use video streaming

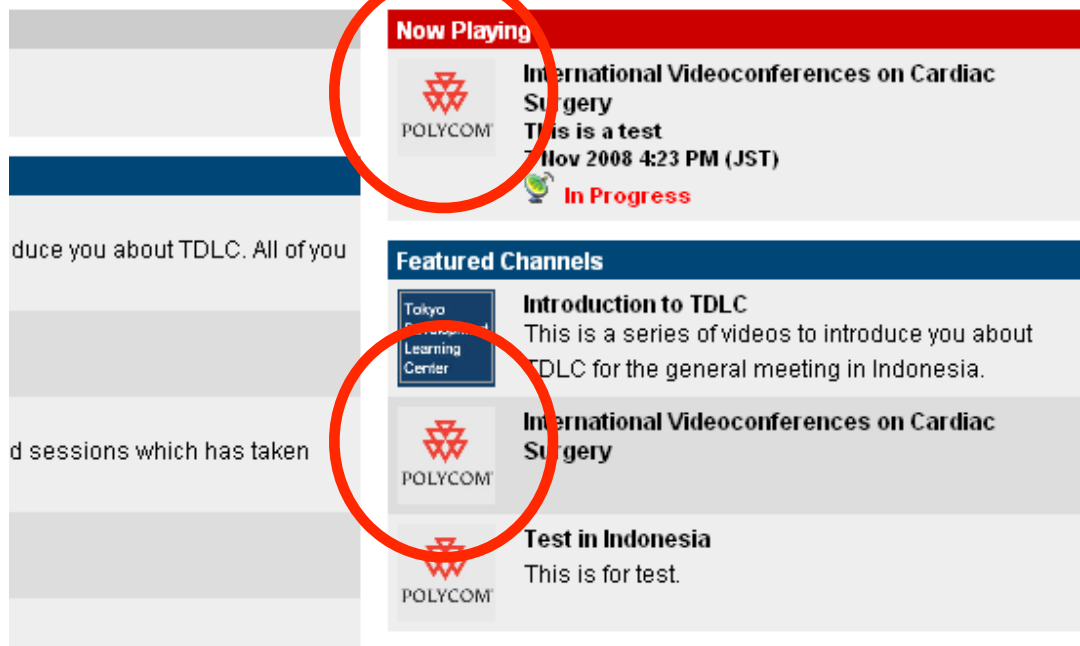

1) If you have never visited the video streaming site, you will see a page like the example below. Tick the “Show All” checkbox, select your time zone, and click the “Select” button. This will take you to the top page of the Video Media Center.

The screenshot shows a 'Select Timezone' interface. On the left is a 'Menu' with links: Home, Calendar, Access Private Program, Browse Content, Register Now, and Search. Below the search bar is an 'Advanced Search' link. The main area has a red header 'Select Timezone' and a text instruction: 'Select your time zone so that programs will be shown with the appropriate and will need to be selected again if the cookies are deleted from your co'. A dropdown menu is open, showing '(GMT+14:00 Line Is. Time (Line Islands) (Pacific/Kiritimati)'. Below the dropdown is a checked checkbox labeled 'Show All' and a 'Select' button. A red circle highlights the 'Show All' checkbox and the 'Select' button.

2) If you are watching live your video will be located in the Now Playing section on the right-hand side of the page.

If you are viewing the video after the live session ends, the recorded video will be up in “Featured Channels” section.

The screenshot shows a video streaming interface. On the left is a sidebar with text: 'duce you about TDLC. All of you' and 'd sessions which has taken'. The main area has a red header 'Now Playing' and a video player showing 'International Videoconferences on Cardiac Surgery' with a 'POLYCOM' logo. Below the player is a 'Featured Channels' section with a blue header. It contains three video thumbnails: 'Introduction to TDLC' (with a 'Tokyo Learning Center' logo), 'International Videoconferences on Cardiac Surgery' (with a 'POLYCOM' logo), and 'Test in Indonesia' (with a 'POLYCOM' logo). Red circles highlight the 'Now Playing' header and the 'International Videoconferences on Cardiac Surgery' video thumbnail in the 'Featured Channels' section.
