

*Linking the World Through
Learning*

The China Domestic Development Learning Network (CDDLN)

by

Pan Jiang, Western Region Development Office

Huang Hong, Sichuan DLC

Wang Mingjun, Shaanxi DLC

Tian Changpeng, Chongqing DLC

July 2005, Vietnam

Background of CDDLN

*Linking the World Through
Learning*

- **In 2002, negotiation for setting up CDDLN**
- **March-August 2004, initiation of project construction**
- **Implementation agency: WRDO, MOF and local WRDOs and BOFs**
- **Official trial operation in September 2004**

Summary on CDDLN

Linking the World Through Learning

- **Connected to GDLN, CDDLN aims to promote development in western China by knowledge transfer**
- **12 DLCs + TMC, all except one DLC in Shanghai are financed by the Bank**
- **Customers – Policy-makers and civil servants in western China**

DLC - Chongqing

Linking the World Through Learning

Roles of Players in CDDLN

Linking the World Through Learning

- **Leading Agency – WRDO**
 - Guidance in CDDLN set-up and follow-up activities
- **TMC in Beijing – CEInet, State Information Center**
 - Entrusted by WRDO to conduct daily implementation
- **Provider of Public Networking – CERNET**
- **World Bank DLC in Beijing**
 - Financial & technical support and coordination
- **DFID**
 - Financial support

Management System of CDDLN

Linking the World Through Learning

- ❖ **Management agreements signed between WRDO and local WRDOs; between local WRDOs and DLCs**
- ❖ **Authorized by WRDO, CEINET has set up and is in charge of TMC of CDDLN**
- ❖ **Management website for CDDLN was set up by TMC (www.cddl.gov.cn)**
- ❖ **Develop Knowledge Center (DKC) established in each DLC**
- ❖ **TMC offers distance and face-to-face training for management and technical staff of CDDLN**

Key factors for project continuity

Linking the World Through Learning

- ❖ **Further support by WB and other donors at the initial operation stage in the areas of:**
course supply and development, organization of training programs, quality improvement of the network
- ❖ **Closer cooperation among GDLN members**
More active participation in GDLN organized activities
More harmonized coordination among TMC and DLCs
- ❖ **Continued support from the Government**
More governmental trainings be held at local DLCs
- ❖ **Courseware development and further studies on CDDLN operation options**

More support needed by CDDLN

Linking the World Through Learning

- ❖ **More support is needed for establishment of new DLCs in three ethnic autonomous prefectures**
- ❖ **Systematic courseware development**
 - Focusing on best development practices both international and national, for underdeveloped areas in China
 - more cases study
 - VCD+Reading materials

Sichuan DLC

Linking the World Through

Basic situation of Sichuan DLC

*Linking the World Through
Learning*

- ❖ **Sichuan DLC was set up in Sichuan Administrative School in Sept. 2004**
- ❖ **Sichuan Province has 20 prefectures and 180 counties**

Next steps of Sichuan DLC

Linking the World Through Learning

- ❖ **Is planning to set up 20 DLCs with capacity of two-way communication at prefectural level and 180 DLCs with capacity of one-way communication at county level**

Next steps of Sichuan DLC

Linking the World Through Learning

- ❖ **Improve quality of connection among different DLCs within Sichuan**
- ❖ **Strengthen transmitting ability of Sichuan DLC**
- ❖ **Set up audio-video system in prefectures**
- ❖ **Equip better facilities for administrative schools at prefectural and county levels**

Shaanxi DLC

*Linking the World Through
Learning*

全球发展学习网络陕西远程学习中心
China Development Distance Learning Network-Shaanxi DLC

Basic situation of Shaanxi DLC

*Linking the World Through
Learning*

- ❖ **In Sept. 2004, Shaanxi DLC was built up in Xi'an Construction and Technology University**
- ❖ **Held a wide variety of training programs, totaling 20 with more than 2,000 trainees.**

Next steps of Shaanxi DLC

*Linking the World Through
Learning*

- ❖ **Is planning to have three main training programs, namely, students-oriented training , administrative employee in enterprise training and administrative employee in government training**

Courseware development and teaching data bank establishment

Linking the World Through Learning

The courseware will be developed and teaching data bank established in the following areas:

- ❖ Architecture Engineering Supervision Exam**
- ❖ Registered Urban Planner Qualification Exam**
- ❖ Enterprises' informational establishment, international business and business of senior administration**

Market perspectives

*Linking the World Through
Learning*

- ❖ **Nationally 760,000 people have taken the Architecture Engineering Supervision Exam**
- ❖ **100,000 people have taken the Registered Urban Planner Qualification Exam**
- ❖ **Up to now, there are 110,000 members registered in Enterprises' informational establishment, international business and business of senior administration.**

Demand for Financial Support

*Linking the World Through
Learning*

- ❖ **Due to limited financial capacity of Shaanxi Province, we hope to obtain financial support from international community in the following areas in particular:**
 - **completing the establishment of courseware data bank**
 - **visual courseware production facilities**
 - **consulting services**
 - **system software**
 - **course tutoring**
 - **market promoting**

Chongqing DLC

Linking the World Through

我市农村干部参加世行“无公害农产品生产与贸易发展”培训

Basic situation of Chongqing DLC

*Linking the World Through
Learning*

- ❖ **Chongqing DLC was built up in Chongqing Technology and Business University in Sept. 2004 and have conducted the following activities:**
 - **Training courses for the World Bank Institute**
 - **Local training courses**
 - **High-level dialogue**

Next steps of Chongqing DLC

Linking the World Through Learning

- ❖ **Build up distance learning platform for civil servants of Chongqing**
- ❖ **Build up video system based on internet**
- ❖ **Build up training platform including development of high quality training materials**
- ❖ **Build up management system of distance learning network**

Next steps of Chongqing DLC

Linking the World Through Learning

- ❖ **More training materials needed**
- ❖ **Improve equipment in different counties**
- ❖ **Training of technical staff in different counties**
- ❖ **More financial support**

*Linking the World Through
Learning*

Thank You !
